

As The Gater Sees It....

By FRANK SCHWASS

OBITUARY

This being the last column of the present series for this term, it might be advisable at this time to offer a word of explanation for the sour-puss, destructive criticism angle taken by this writer. College publications are full of mutual back-slapping, written huzzahs, stock optimisms, and hypocritical observations. No matter how cheesy a dance has been the post-humorous write-ups invariably refer to it as, "the biggest and best dance ever held in State." A club party where everybody has been bored stiff is given a great follow-up which ends something like this, "—and everyone present agreed that a good time was had by all." And then there are those club announcements which contain the names of the club officers, new members of the organization, and those present at the last affair. Nobody, except those in the organization, gives a hoot about the membership role or the fact that the item is published anywhere at all.

The Androsphinx Club, small and unassuming organization promulgated for the perpetration of original thought and discourse, is one of the very few clubs on the campus worthy of honorable mention. With its tiny modesty, the officers of the club refuse to look upon it or to let it be broached about, as being composed of a group of intellectuals. However, those students in the club who belong to this organization and who willingly attend the meetings to further their knowledge of many important world problems did easily fit into that classification. Incidentally, although the club is by no means exclusive or choosy, membership is by invitation only. To the Androsphinx as being one of the outstanding clubs of next semester.

Rumor hath it that a Mr. T. Guiney has been chosen editor of the Gater for next term. We would like to congratulate Mr. T. but we cannot help but wonder in which direction the palmy editor-elect will turn when the winds of politics begin to blow. While not personally acquainted with Mr. Guiney, it is alleged that he has his Hibernian ear attuned to the music of sundry band-wagons and is ready to break into a waltz at the slightest provocation. We would never, never, allege that Mr. G. has his price but we could not—and still retain our intellectual integrity—say with conviction that Mr. Guiney is absent when local assets are being liquidated. And so to Mr. Timothy Joseph Guiney, S. O. M., we offer our congratulations and our condolences on his appointment.

A.M.S. 'SHUFFLE' CELEBRATES END OF SEMESTER

Jack Fisher's Swing; Superstition Motif Reign At Last Dance

By EDWARD PIERCE

The tingling rhythm of Jack Fisher and his swing orchestra will hold sway at the A. M. S. Superstishus Shuffle, last dance of the year, tonight from 9:00 p.m. to 1:00 a.m. in the gym. Tickets, which are on sale in College Hall, cost twenty-five cents a couple or stag. The dance is well-named "Superstishus Shuffle," for it is being held on the 13th of the month, and the day is Friday.

Interspersed among the hot selections of the orchestra will be introductions of the incoming A. M. S. officers. The added attraction of pickets at the door is faithfully insured for the interest of those attending.

This is the last on-campus dance open to the student body this semester. Tom Thorpe, outgoing A. M. S. president, promises a "bang up time" for those who care to take part in a bit of pre-final relaxation. Said Tom, "never mind getting a shave or a permanent. Just come on over, and for the small sum of two bits you can help blow the roof off the gym."

MARKET AT STOCKTON

SHUFFLE TONITE DESPITE UNION 'UNFAIR' SIGNS

A. F. of L. Affiliates Will Picket Unless Price Cut For Dance

Unless the AMS "Superstishus Shuffle" reduces its price to ten cents tonight, the Musician's Union, Local No. 6, will again picket a school affair. This was learned yesterday from Mr. Burns, Union business agent.

Had Agreement

Conflict arose when it was discovered that the College and the Union have had a verbal agreement for the past ten years regarding on-campus activities and music. The agreement was to the effect that all on-campus dances, not charging more than ten cents, would be permitted non-union music. Recently the Union changed business agents and this agreement is no longer in effect. A committee composed of Cliff Worth, Ken Johnson and Tom Thorpe conferred with Burns last Friday in an attempt to settle the dispute before the "Junior Jam". It was suggested by the committee that the Union allow the Junior dance and the "Superstishus Shuffle" to go on as scheduled, with a meeting following in the near future with Dr. A. C. Roberts, president of the College; Cliff Worth, newly-elected student body president; Mr. Burns, business agent; the president of the S. F. Labor Council and Sherriiff Daniel C. Murphy present. This plan met with disapproval from Mr. Burns.

Dances Goes On

Because the College has abided by the rules of the Union as far as off-campus affairs are concerned, Dr. A. C. Roberts stated that this school reserves the right to hire whom they please on campus. A definite agreement is still hanging fire, however.

Regarding tonight's dance, Tom Thorpe, president of the AMS said: "We will not reduce the price to ten cents. It's already down to 25 cents a couple. This dance is the last one of the semester; it's for the students; some of the fellows in the band are students and it's on the student campus, therefore, I see no reason for catering to the Union. The dance goes on at the same price, pickets or no pickets!"

Creon Appointed Registration Head

Registration committee leaders for next semester were announced last week by Betty Creon, general chairman of registration. They are: posters and publicity, Dena Witte; counter and files, Margaret Deffert; distribution, Muriel Senk; gym, Dorothy Lavelle, traffic, Gaetano Stella; information, Gladys Ketterlin.

A sign-up list for all students interested in working on the committee has been placed in the front hall.

DR. PAUL CADMAN GUEST SPEAKER FOR SENIOR GRADUATION EXERCISES IN OPERA HOUSE; SENIOR BALL IN TERRACE ROOM SATURDAY

Novel and Practical Gift Will Be Presented To All In Attendance

By CONNIE FIELD

In the Terrace Ballroom of the Fairmont Hotel, Saturday, May 23, the class of 1938 will terminate four years of college life with the sponsoring of their biggest social event of the year, the Senior Ball. Bids are \$1.50 each.

Don Mulford and his orchestra, considered one of the best on the coast, will provide the music for the Ball. Dancing will be from nine to one. Highlight of the evening will be at midnight when a brief and entertaining show is promised.

Favors to be Free

"Programs are novel and should go over big with everyone," said Bud Decker, senior class president. "Everyone attending the Senior Ball will be given a practical favor with the compliments of the Class of 1938," continued Decker.

Tickets went on sale last Wednesday, May 11, in the box office in College Hall under the direction of Everett Parrish, ticket chairman. Mike Driscoll, Monk Delma, Hal Beseman and Jesse Fisher will act on the door committee. Hostesses and hosts of the dance are Virginia Kyriazi, Howard Demeke, Dawn Wilson, Bob Prather, and Audrey Stewart. Patrons and Patronesses are Dr. and Mrs. A. C. Roberts, Dr. and Mrs. P. F. Valentine, Dean Ward and Dr. and Mrs. W. A. Homan.

Jennings Wins Prexy Vote of Debate Council

Formal ending of the spring 1938 forensic season was declared last Thursday morning with the election of Forensic Council officers for the next season.

Jeanette Jennings was elected president of the council in a close 13-16 defeat of incumbent J. Wallace Gallagher. Riding to victory on the election machinery was Bernice Resnick, vice-president, Bob Sigerson, secretary, and Bob Sweeney, debate manager.

65 Debates

During the spring semester of the 1938 forensic season marked the completion of the revival of debating on the State campus, with over sixty-five contests being participated in by the State forensic representatives. The teams debated included the best in the country, including the University of Washington, University of Southern California, Stanford University, College of Pacific, University of California at Los Angeles, St. Mary's College, San Jose State College, and most of the other California Universities and colleges.

Under the direction of Bob Sweeney, debate manager, and Bob Van Houte, over forty debates for the fall season have already been added to the schedule.

Bud Decker, president of graduating seniors, who has completed plans for Senior Ball in Fairmont Terrace Plunge.

NOTICE TO 1938 GRADUATES WITH TEACHING CREDENTIALS

Before the Faculty leave for their vacations each prospective teacher who wishes placement service should see the Placement Secretary so that letters of recommendation may be assembled. This applies to any 1938 graduate whether May, June or August.

Notice to Graduates not receiving Credential or not desiring Placement Service.

The Placement Secretary would like to see every graduate for a moment or so. Often, the Placement Office can offer service that may prove helpful.

ALMA DOWNEY

ATTENTION STUDENTS!

All padlocks must be removed and lockers left clean by May 27. All articles left will be disposed of at that time by Co-op store.

Kyriazi, Graziani Student Speakers At Graduation

Dr. Paul H. Cadman, formerly of University of California Economics department will be guest speaker at the graduation exercises to be held Friday, May 21 in the War Memorial Opera House at 7:30

p.m. Student Valedictorians are William Graziani for the January class and Virginia Kyriazi for the May class.

State's 70-piece symphony orchestra and the A Cappella Choir will participate in the graduation program.

Kyriazi Chairman

Dr. Jason Pierce of the Congregational Methodist Church will deliver the invocation and the Benediction.

Annual Reception Tea will be the opening event of this year's Senior Week to be held Saturday, May 21, sponsored by the faculty. This event will be followed on Sunday, May 22, by a Senior Outing to Moraga Valley Campus of Saint Mary's College. Chairmen of the event are Mike Driscoll and Jess Fisher.

Monday will be Senior Men's and Women's Day, which will consist of two stag affairs. The women's gathering will be held in the Women's gym, and the men's in the Activities Room.

On Tuesday the seniors will hold a Spaghetti Supper in the Activities Room at 5:30 p.m., followed by a Theatre Party at the Fox Theatre. Chairman of the day is Connie James.

Nursery Rhyme Party

A Nursery Rhyme Party under the direction of Mary Snell will be held in the Activities Room at 7:00 p.m. All seniors will dress as their

EDITORIALS

Editorials and feature articles in the Golden Gater reflect only the writer's opinion. They make no claim to represent student or administration opinion. All unsigned editorials are by the Editor.

In Re: Coaching . . .

Because we have heard considerable agitation and received two letters on the subject of the coaching situation, we feel constrained to make some mention of the matter in the Gater.

The Gater holds that these periodical "scalp the coaches" campaigns grow naturally out of the unsuccessful athletics seasons which State has known the last few years, and that these "gripes" lay the blame conveniently at the doors of Messrs. Farmer and Hardin, as well as any other petty complaint that comes to mind.

It has been charged that the coaches have been guilty of threatening players and journalists with physical violence, of using improper and profane language, and of being poor coaches, the latter allegation being the most frequent and vehement.

To us of the Golden Gater, it is almost impossible to present anything approaching the whole story. The coaches lay the complaints to "sour grapes" on the part of disgruntled athletes; the athletes simply reply, "don't quote me, I'm a P. E. major."

"Scalp The Coaches"? . . .

From that evidence which we have been able to gather, we feel that the coaches have been taking more than their share of abuse whether or not they are guilty of certain of the alleged actions. That these men were hired by the state on their records, bespeaks something; it is certain that they are better coaches than any or all of the men whom they tutor. It is also significant that State's athletes have consistently proved that they will not or cannot train. Some of the fellows work and can't give the requisite amount of time to the sport; the majority of fellows simply can't take the trouble. In support of this let us point out to you the condition of the players after the Santa Barbara game, two years ago at Chico, to say nothing of evening group-training indulged in by a considerable number of the "iron men".

Maybe Someday We Can . . .

One fact remains, these men have been hired on their records to teach various courses in physical education. That one facet of this teaching job involves sports that are muchly publicized, and that these sports have not been highly successful, should not result in attempts to malign. Messrs. Hardin and Farmer are, whether they or you like it or not, primarily teachers. And when this student body gets enough money to hire big-name coaches to put out big-time teams, when this college can afford to offer enticing subsidies to athletes, then it will be the time for the students to hire and fire coaches. Then it will be time for this and other student organizations to put their oar into coaching matters.

High and Low Notes

By MILT BRONSTEIN

"Put a Nickel in the Drum"—this was the informal theme song of the A Cappella Choir on the trip last Thursday. Fine performances of the Choir and String Orchestra were received at Burlingame, Redwood City, and Palo Alto. As a whole Mr. Freeburg and Dr. Knuth were extremely pleased with the groups. These were the first outside performances that were given by the choir with the new purple and gold robes. A few highlights of the trip: Mentioning the robes reminds me that the heat was noticed during the singing (do I know). At our last stop, Palo Alto, it was discovered too late that there were not any drinks sold in the town; consequently, when Garzoli went into a soda fountain and had a milkshake, thirty members of the choir were standing outside with noses pressed against the window while Brubeck went up to Bill and waved a handkerchief. Zech suffered a burnup when he followed the girls into the wrong room at Palo Alto High; he said, "I thought it was the dining room." Archambault and Grant have earned themselves the reputation of being the prototypes of the famous movie comedian, Dopey. Memories: bottles rolling up and down the floors of both buses; those bus drivers really were swell fellows. Incidentally, against all this talk about beer bottles, may I say that this was just about the best-behaved group of students out for a good time that I ever have seen. Dr. Knuth and Mr. Freeburg have announced that another trip will be taken on next Tuesday to Tamalpais, Sebastopol, and Santa Rosa High Schools and Santa Rosa J. C. Another good job will be done, I am sure.

Smiles . . . If you think that spring has left, take a walk thru the practice rooms some nice day . . . Queer that there wasn't any mention of the fact that the Music Federation beat the Block "S" baseball team a couple of weeks ago . . . See you next fall.

A. G. P. NEWS

CHICAGO, ILL.—(ACP)—"Race-horse" basketball, as played on college and university courts during the past season, will be slowed up when the hoopsters resume play next winter.

At its meeting here last week, the National Association of Basketball Coaches applied two brakes to the game: they increased the number of time-out periods to five and provided for optional use four ten-minute quarters instead of the usual twenty-minute halves.

The group also approved the use of a four-foot instead of a two-foot out-of-bounds margin behind the backboards and barred the making of substitutions after a goal is made until the ball is back in play.

The News Behind the News

We're glad we ate a double portion of sour pickles for breakfast this morning, to forestall any possible chance of sentiment creeping into this last issue of the paper. The morning meal was a success in that it kept us in our usual mean, nasty mood. Golly, do we hate the world today!

First on the calendar is the AMS dance to be held tonight in the gym. The dance is largely the work of one Thomas Thorpe, literally one of our fair-haired boys. Friend Thorpe has put in a great deal of effort in behalf of tonight's affair, and we join with him in hoping that it will be a success. Admission will be 25 cents per couple, a fee which would be hard to beat anytime, anyplace.

* * *

QUICK ONES: The peaceful looking Delta Sigma debate organization was dropped right smack into the middle of a seething turmoil during the past week. Seems the organization is made up of two political machines, one headed by past president J. Wallace Gallagher, the other allegedly by Bill Rose. Anyway, they tell us that Gallagher, campaigning for re-election, looked like a lead-pipe cinch since he controlled what seemed to be a majority vote. But something went wrong, the Rose group completely backing Jeanette Jennings, and boosting her into the presidency chair by a majority of three votes.

According to the family physician, Gallagher is expected to recover shortly.

* * *

"Fiat Rustitia, Fiat Coelum . . ."
" . . . let justice be done, though the heavens fall." Probably spelled wrong, but what we're trying to get at is that every man ought to be given his just due, be it credit or blame, and this is the time to talk of the work of Mr. William John Joseph Smith, who is now in the throes of completing a year's work as president of our associated students.

What we have to say about Mr. Smith is all fact, rather than being made up in any part of gushy, last-edition sentiment. Our Mr. Smith has worked hard and well in his position, and has been, we assure you, a distinct credit and asset to this college. Further than that, he has officiated during the past year as president of the Pacific Student

PROVIDENCE, R. I.—(ACP)—The American educational system has "too much machinery, too much teaching and too little learning."

This was the charge made here recently by Prof. Kirsopp Lake of Harvard University. Continuing his denunciation, he said:

"It simply infuriates me to see our universities having to give courses in elementary French or German, taught by young scholars who ought to be doing advanced work of their own. The languages should be taught our children in the lower school."

"We would get better results by enticing men to learn than by the whole army of baby deans in this country."

President's Association, a group made up of the student presidents of all of our West Coast colleges and universities. This, in itself, should be ample proof of what we are saying.

Never has the charge of graft been hurled during his administration, and the proverbial gravy train has been slowed down to a crippled crawl. It would take more than a few printed paragraphs to adequately portray our feelings in this matter.

The best that we can say is "Thanks, and good luck to you, Will."

Guiney Heads Gater; Dooley Edits Annual For Coming Year

Next year's editors and managing editors of the Golden Gater and the Franciscan were announced at the semi-annual Publications Dinner last Friday evening, May 6, by Doris MacDonald, member of the Board of Publications. Tim Guiney presented the two journalism awards sponsored by the local chapter of the American Newspaper Guild.

Tim Guiney was unanimously elected editor-in-chief of the Fall 1938 Golden Gater, and Jean Dooley was named editor of the next Franciscan. Both are members of the News Guild.

Frank H. Schwass, columnist, and Ernie Miguel, sports editor, succeeded Jean Dooley and Almarie Porteous as managing editors of the Golden Gater. Marshal Blum was appointed the new business manager of the year book. The position of business manager on the Golden Gater was not filled, but members of the Gater staff expect that Jack Hubert will take the job. H. Robert Chamberlin was given his A. P. G. pin, while Bill Buchan received a pen and pencil set.

Lewis Jost and Ed Pierce were given the awards for outstanding achievement in beginning journalism. The awards, two small gold pins, were based on the election feature stories written by the young journalists. Rose-Marie Haas was presented with her A. P. G. pin and guard by president-elect Bill Rose.

Dr. Roy C. Cave, Miss Mary Kleinecke, Mrs. Ruth Witt-Diamant and Dr. Theodore E. Treutlein.

Miss Effie McFadden Ends 38 Years Here

By JEAN DOOLEY

Thirty-eight years of teaching at San Francisco State College will be terminated when Miss Effie B. McFadden retires this June.

Powell Street, between Clay and Sacramento, was the site of the original San Francisco State Normal when Miss McFadden began teaching in 1900. The school had been founded the previous year. Sixty-five girl students, three full time faculty members, and one part-time instructor, composed the personnel at this time. There was only one course of study which consisted of courses in Nature Study, general Biology, Psychology, History, Geography, English, and Arithmetic. This comprised the two year course and there was no training school.

In 1906 the Powell Street building was destroyed by fire and San Francisco State Normal had a brief stay across the bay in Oakland. By 1907 the present College Hall was finished and Miss McFadden continued teaching Nature Study and Biology in the new edifice. It was at this time, also, that she conducted a survey of speech and writing errors for the training school which had been established in 1901. In line with this work she had charge of corrective courses which ultimately led to the McFadden English Series, published as a State text in California. Miss McFadden spent one year in Chicago in the Rand, McNally editorial offices when the books were being published.

"I can remember when the first boy entered the school," said Miss McFadden. "He was something of a phenomenon among the five or six hundred girls that were then enrolled."

Miss McFadden was responsible for beginning State's first cafeteria which was located in several of the shacks terraced in a row down the Hermann Street hill.

At this time each faculty member supervised the training of students in his particular subject, but within a few years San Francisco State Normal was made a State Teacher's college and teachers with degrees went into the academic department. Miss McFadden returned to the Science Department and was Departmental Chairman for six years.

"The building site of the present gymnasium was formerly a Protestant Orphanage for children," continued Miss McFadden. "Then in succession Anderson Hall, the Kindergarten - Primary, Frederic Burk, and the Anderson Hall wing were built."

During her teaching experience Miss McFadden has been institute worker in forty counties in California, in Washington, Oregon, Nevada. She attended two Louisiana State summer schools, all the universities and normal schools in Indiana. She taught in a summer session in Honolulu and has traveled in Alaska, New Mexico, and Canada.

Miss McFadden, a professor in Biological Science, received her A. B. degree at Stanford, graduated from Los Angeles State Normal School, and did graduate work at the University of California.

"This summer I am going to Europe and then my sister and I will retire and build in Palo Alto where I intend to do some work at Stanford that I have longed to do."

Thus a teaching career at State is completed but not concluded because Miss McFadden's teaching and inspiring career will always remain with those who know her.

SAY IT ISN'T SO

BY ALEX EDELSTEIN
Sports Editor

Of the current coaching situation we have only this to say. It has passed from our jurisdiction. From the state where it affected only a few in the sports department, it now concerns the whole school at large. The editor of this paper gives his views today in an editorial. This editorial does not necessarily reflect the opinions of this department. . .

Of the current hazing activities on the campus, sponsored by the Block "S", we have this opinion to offer.

Does not the athlete win his spurs on the field or in the gym? Should he be forced to be the object of ridicule and not only that, be forced to go through asinine initiation formalities? It is great stuff to a certain extent, but not to the extent that it is being carried to. At present it is asinine in its most evident form. Is it necessary to give egg shampoos, to do silly, childish things? It is the opinion of this department that the Block "S" society should go back to prep school en masse.

As to the probable answer, "Well, it has been done for years," we can only reply that the ignorance of their predecessors is no excuse for their ignorance. Don't you think that it is possible for the Block "S" to work out a sensible initiation program? Under the present conditions, if I were asked, I would be forced to reply in the negative. However, there should be someone who can work out a program that is worthy of college students!

It seems that the boy who wields the strongest paddle every year is the boy that did the most crying last year. Just from, heresay of course, but if he said it, I'll believe it.

Says Fred Kline, star distance man for Coach Dean Cox this semester: "I do not hold the school record for the cross-country run. Contrary to popular belief, Mike Driscoll is the holder with the time of 9:00 flat." Kline holds the record for the interclass two mile run.

Doug Crary, noon day recreation maestro, wishes it to be known that first and second place winners in the recreation tournaments will be presented with their purple and yellow ribbons. Rally round all, and wait for me.

An ebullient character, Tom Thorpe by name, wishes it to be known at large that the A. M. S. election will be held today. All men students are eligible to vote and are requested to, by the election staff.

In concluding this last column of the semester, I wish to express my appreciation to the staff in general and the students in particular for the opportunity of conducting this sports page. It was a lot of work, but a lot of fun. Credit should go to Doug Crary, who covered track, tennis, and noon day recreation and assisted materially in helping to put out the best page which this staff is capable of producing. To Bob Osegueda, sub baseball reporter, and Phil Schmidt, track beat man, to Dave Schutz, who covered intramural activities and to Lou lost, who was your ice skating authority, say thanks, and thirty . . . thirty . . . thirty . . .

Gater Sports

Friday, May 13, 1938

Page 3

RELAY TEAM OFF FOR FRESNO TO RUN IN RELAYS; THEOFIELD TO ACCOMPANY TEAM; WILL RUN 100

Four Gaters, Three Block 'S' Men On Official All-Intramural Ball Team

By DAVE SCHUTZ

Following last Friday's championship battle between the Golden Gaters and Block "S" which resulted in a 1-0 victory for the journalists, your correspondent had little difficulty putting together an all-intramural baseball squad: a team composed of the ten leading players in the tournament.

As the score of the championship fracas indicates, defense was the all-important factor in the victory of the Gater gang, a lone run by Bob Chamberlin in the final inning decided the most heated contest in intramural history.

Following is the All-intramural baseball team for 1938:

Pitchers: Kenny Johnson, Golden Gaters
Jack Martin, Music Federation
Catcher: Doug Crary, Golden Gaters
First base: Babe Arlington, Block "S"
Second base: Vern Oulette, Block "S"
Short stop: Charles Maurer, Golden Gaters
Third base: Dave Schiller, Block "S"
Left field: Bob Chamberlin, Golden Gaters
Center field: Jack Schultz, Schultzes
Right field: Ralph Kauer, Eighty-Twos

Honorable mention goes to Bud Glasgow, Bill Rose, and Hal Thompson of the Block "S"; Howard Demeke, Bob Osegueda, and Alex Edelstein of the Golden Gaters; Jack Hulbert and George Smith of the Eighty-Twos.

Nasser Wins In Intramural Tennis

Mitch Nasser, promising freshman netster, recently emerged as the winner of the 1938 intramural men's tennis tournament, when he beat Joe Sanz, basketball star, by 8-6, 6-1 scores. The victory was not entirely unlooked-for, as Nasser had previously beaten Sanz in playoffs for position on the varsity squad.

Sanz earned his way to the finals by defeating Ronnie Lindlow, erstwhile trackman, who was a finalist last year; the latter losing only by -6, 6-3, 6-3 scores. Nasser's quarter-finals opponent was Bill Trevorow, also of the varsity squad, who lost 6-0, while Ed Barbano fell before the ultimate champion by a 6-1 count.

In the absence of the first three men, Nasser tried his hand at championship play last Saturday in the conference individual playoffs. He encountered John Lang, who later won the first-place medal, in the semi-finals, and lost only after extending Lang for nearly two hours. Lang will be remembered as the man who came very close to breaking Ronnie English's four-year unbeaten record last year.

Ferman, Bragg Bad' Champions

Shirley Ferman and Bob Bragg, by virtue of a three-set victory over Josephine Flanagan and Doug Crary, stand as the 1938 mixed doubles badminton champions. The winners had been among the favorites to cop the title, but had not been seeded first.

Miss Ferman and Bragg "settled the hash" of the real favorites of the competition when they downed Josephine Foley and Runar Stone. Miss Foley is a promising freshman racketeer, while Stone has long been conceded to be the number one man player of the college, and won the mixed doubles crown in 1937.

The champions had little trouble in downing Miss Flanagan and Crary in the finals, winning by 15-6, 15-10, 15-3 scores. The latter team had been lucky in that Elsie Bernard and Carl Goldstein had been forced to default to them, due to an injury to the "better half" of the combination. The second-seeded team of Sally Scoredelis-Bill Stein fell before the Flanagan-Crary combination in a surprise upset.

SERVICE WITH A SMILE

Hot Dishes at all Times — Candy and Cigarettes

By ERNIE MIGUEL
Tuesday Sports Editor

It has been truly a spasmodic season for the Golden Tide tracksters this year, the Tide ebbing when favored to win and rising when favored to lose, and tomorrow the books of the 1938 cinder season will be nearly filled with the entrance of the Tide relay squad as a dark horse entrant in the collegiate division of the world famous Fresno Relays, on the home field of Fresno State.

Golf Team Ends First Year of Play Tomorrow

Climaxing its first year of organization, State's golf team meets College of Pacific tomorrow morning at Ingleside Golf course in their second match against the Stockton team, and the last of the season.

In the first meeting of the two schools, on the Stockton Municipal course, the match ended in a 4½ to 4½ tie, but the locals will be favored to win on their home course.

Lining up for the battle will be Dick Hawkins and Melvin Lager in the number one spot, Jack Fischer and Art Cerf as number two, and Doc Smith and Dave Schutz the third squad. All six members, the backbone of the team this season, have been awarded their blocks through their two victories over San Mateo Junior College.

During the past year Coach Dave Cox has experimented with this new sport. The results have been far better than had been expected. With the beginning this year, it is hoped that another intercollegiate sport is here to stay.

During the season, Harold Martin acted as sponsor for the group and Dave Schutz took the position of manager; however, the team was pretty much on its own, and had no coaching at all. Yet the squad managed to carry on through the season to turn in a successful first year record. Freshmen and sophomore golfers are expected to strengthen the squad next year.

The best combination of sprinters in the history of the Tide will attempt to upset the dope bucket at Fresno, being composed of Jim Hopkins, Daryl Hopkins, Frank Collin, and Richardson. Luther Theofield will journey to the grape country with the squad to run in the 100 yard dash, and compete in the broad jump, and act as alternate for the relay squad.

P. A. Meet Next

The next and final track meet of the season in which the Gaters will participate will be the P. A. track and field meet at San Jose State College, on the 21st of May. Most of the squad is expected to enter, if their finals do not interfere.

Daryl Hopkins, State hurdler and high jumper, has led the Gaters in point scoring this year, being elected captain of the squad and presented with a gold spike watch charm in recognition of his service to the college at a dinner recently. He scored thirteen first places, two ties for first, six seconds, two ties for second, and two third places, for a total of 110 points for the season.

Hopkins High Point

Luther Theofield, frosh sprinter and broad jumper, was second to Hoppy in the scoring column with his 12 firsts, 6 seconds, 2 thirds, and 77 points. Theofield was just ahead of Fred Kline, soph distance man, with 49 points. Soc Pantages, field man, was next with 39, then came Stein with 33, Harkness 28, Collin 24, Kannisto 23, Jimmy Hopkins 25, Kenny Wilkes 14, Paul Robey 9, Rolfe Leavitt 9, Richardson 19, Johnson 6, Tassi 5, and Glass 5.

NET TEAM IN THIRD PLACE; WITT, ARLINGTON, SANZ, CRARY, KIM, KAVANAGH ARE MAINSTAYS

By DOUG CRARY

Followers of spring sports may point with pride to State's 1938 edition of the tennis team; five victories and five defeats is no great record, but compared with last year's one-out-of-ten it is colossal. At present they are firmly entrenched in third place in the conference.

A real chance for fame was lost last Saturday when John Lang of U. S. F. won the individual singles championship—none of the first three men wearing the Purple and Gold were able to compete. State's Jack Witt would surely have had his finger in for first place honors, had he been there, and Crary and Arlington might have accomplished something in the doubles play.

In the last match of the season, played recently, the State squad

had a tremendous letdown, and lost to San Jose by an 8-0 score. During the whole afternoon only two matches went to two sets, with Mitch Nasser coming the nearest to victory. Doug Crary also played a three-set match, but was out-steadied by his opponent.

The local squad presented a much different lineup this past season, with only two men left from last year's varsity. Jack Witt came to the fore and established his supremacy as number one man. Mitch Nasser and Joe Sanz, both new men, made a god showing, as did "Bab" Arlington and Ken Kim, both of whom had played in 1936 but were not in school last year. Doug Crary turned in a number of wins, and should be one of the mainstays of the team next year. Rod Kavanagh

Iago Leads State Hitters With .288; McRitchie Second

By BOB OSEGUEDA

In a last months batting spree, Don McRitchie and Charlie Iago, first baseman and outfielder, gained the ranking spots in the 1938 batting race, according to official averages released today.

McRITCHIE SPLURGES

In college games Iago connected with 13 hits in 45 trips for an average of .288. McRitchie hit 12 in 42 chances to compile a mark of .285. After getting only 5 hits in 32 tries, McRitchie went on a batting orgy that saw him hit seven consecutive times. Dick Osborne, star center-fielder, who was forced out of action in the Fresno State series with a fractured foot, was the unofficial leader however, getting six blows in fourteen times at bat for a .428 average. Osborne did not play in enough games to be officially recognized.

Including all games however, McRitchie was the official leader, collecting 15 bingles in fifty trips for an even .300. Al Cleary, and George Maihlo, regular shortstop and left fielder, pitcher, respectively, followed in that order.

VETERANS RETURN

Although the team was beaten quite regularly this year it should fare a lot better in '39. Returning players will include Bill Leahy, George Maihlo, and Marty Martinez, pitchers; infielders Don McRitchie, Al Cleary, Jesse Turner, Bill Hammond, Ed Collins, Andy Gavron, Sid Fischer, and Jack McGann, while Buchanan, Osborne, and Bob Osegueda, will bolster the outfield. Dick Coshaw, George Weekes and Frank Jackson will also return for catching duty.

TEAM HITS .218

Probably one of the main reasons for the lack of success of the ball team this year is the team batting mark, a willowly .218. It would take better hurlers than are now gracing the roster of the Gaters to turn in victories consistently, if at all. However, with an experienced and steady ball club to back them next year, the hurlers should turn in some creditable performances.

HOPKINS IS NAMED '38 TRACK CAPTAIN

Presentation of trophies to Coach Dave Cox and the unanimous election of Daryl Hopkins captain, highlighted the annual track dinner, held at the Monte Carlo restaurant, Mason and O'Farrell Streets last Friday night, May 6.

At the conclusion of the dinner, Frank Collin, on behalf of the team, presented Mr. Cox with a gold trophy. Coach Cox gave a short speech of thanks for the trophy, a runner, mounted on a pedestal.

Daryl Hopkins also received a presentation in the form of a gold shoe. On it was inscribed a purple "S" and "Captain Daryl".

EXECUTIVE BOARD MINUTES

May 9, 1938

The 30th regular meeting of the Executive Board was called to order at 7:40 p.m. by President Will Smith. The minutes of the previous meeting were approved as read.

COMMUNICATIONS:

1. Forensic Council — debate awards.
2. Budget for Seattle trip—\$180.
3. Proposal for P.S.P.A. bulletin—Howard Demeke.

COMMITTEES:

The constitution committee recommended that the Board accept the Sigma Pi Sigma constitution with three revisions.

Mr. Zech reported the success of the music deputation trip down the Peninsula.

The schedule for class elections on Wednesday and Friday was announced.

Mr. Brubeck announced that Music Federation election on May 13th.

Miss Peggy Roach was introduced as the new Low Frosh President, Mr. Moser having dropped from school.

It was reported, by Mr. Worth, that his committee favors the idea of an inter-collegiate P.S.P.A. bulletin and suggests that the matter be placed in the hands of the Board of Publications.

The executive Board Dinner will be held at Veneto's on May 14th, at 6:30 p.m. Old and new Executive Board members will be invited to attend.

A short Executive Board meeting will be called on Friday at 4:30 to discuss the budget for next year.

OLD BUSINESS:

A motion was made (Smith) and seconded (Decker) that the budget for the P.S.P.A. delegates be accepted as presented. Motion passed unanimously.

A motion was made (Decker) and seconded (Thorpe) that we vote out \$29.65 for the Executive Board dinner. Motion passed unanimously.

Following a discussion of the constitutional revisions of the new fraternity, the following were drafted and approved:

1. The Fraternity shall be a three (3) year organization covering High Freshmen, Sophomore, and Junior years; and when a member becomes a low senior, he shall be classified as an inactive member through his senior year, maintaining all membership privileges except that of voting.

2. A. A Freshman must have a C-5 average.

B. All other members must maintain a 1.0 average. If a member above Freshman standing drops his scholastic average below a 1.0, he shall be put on probation for a period of six (6) months. If after the probational period he fails to raise his average he shall then be dropped.

A motion was made (Zech) and seconded (Thorpe) that the Sigma Pi Sigma constitution be accepted as revised. Motion passed unanimously.

NEW BUSINESS:

Mr. Brubeck presented a request for the Student Body's support of another music deputation trip to Santa Rosa on May 17th. The value of such a trip being fully realized, a motion was made (Brubeck) and seconded (Thorpe) that the Music Federation be granted \$60.00 for a deputation trip to Santa Rosa on May 17th, with the stipulation that an itemized account be given to the Treasurer and that all funds not used be returned to the S. B. Motion passed unanimously.

Mr. Brubeck thanked the Board for its co-operation during the past term, and President Smith in turn expressed his gratitude to the Board and all other students who have supported him during his year. The possibility of a publicity stunt in connection with a send-off for the P.S.P.A. delegates was announced by President Smith.

Mr. Buchan, representing the News Guild, requested a loan of \$12.00 with the stipulation that it be paid back next semester.

A motion was made (Rees) and seconded (Smith) that we lend the News Guild \$12.00 with the stipulation that it be paid back next semester. Motion passed unanimously.

The following students, as reported by J. Wallace Gallagher, President, Forensic Council, have quali-

fied for the official S.F.S.C. Debate Award:

1. Robert Sigerson.
2. Robert Sweeney.
3. Noreene Honnef.
4. Bernice Resnick.
5. Jeannette Jennings.
6. Marianne Nelson.

A motion was made (Smith) and seconded (Thorpe) that the above named people be presented with debate awards. Motion passed unanimously.

A proposal for annual dissemination of information of value and interest to all college students to be gathered at the P.S.P.A. Convention was submitted by Mr. Demeke.

Several suggestions were made in this regard, and a motion was made (Smith) and seconded (Thorpe) that the proposal of Mr. Demeke be

carried to the convention by the P.S.P.A. delegates. Motion passed unanimously.

Although the last two ice skates were not successful, the subject of ice skating next term was brought up for consideration.

A motion was made (Brubeck) and seconded (Rees) that we recommend that next year's Board foster ice skating for the Fall term. Motion passed unanimously.

It was requested that the P. A. system which has been removed be returned.

Mr. Decker announced the Senior Ball, May 28th, Don Mulford's orchestra.

The problem of union music, picketing, etc. was brought to the Board's attention.

Mr. Worth presented the following tentative agreements which will

be presented to the Musician's Union and discussed in conference:

What we want:

1. No restriction of college activities.
2. Right to hire student orchestras at campus dances and parties.
3. Right to broadcast on same basis as other State Colleges.

What we will do for Musician's Union:

1. Train professional musicians to be music teachers.
2. Hire union orchestras for off-campus dances.
3. Excuse union members from student activities so that they may work whenever possible.

Group representatives were requested to attend the Budget Committee meeting this Thursday and possibly Friday, if requests for appropriations are to be made.

There being no further business, the meeting was adjourned at 9:40 p.m.

Respectfully submitted,
EDITH WHITE
Secretary.

Block 'S' Awards
Given Tuesday Noon

Semi-annual Block S awards rally will be held Tuesday, May 17, in the gymnasium at noon under the general supervision of head yell leader, Hal Delma.

Student Body president, W. J. J. Smith will present the awards.

Helen Newell, Jimmie Elkin, and Frances Twohig were winners of the gold trophies in the Final Gala Rally Talent Parade held last Friday night in Frederic Burk auditorium. Jenkel Jewelers, 150 Post Street, also presented pins to the other contestants including Carl Mitchell, Thom Thorpe, Alice McCoy, Dick Jensen, Tony Calonaw, and Bud Chandler.

SENIOR WEEK HAS
MANY ACTIVITIES

(Continued from page 1)

favorite Nursery Rhyme character. On Thursday one of the highlights of the week will be held, the Senior Pilgrimage, during which the seniors will wear their caps and gowns. This event will be followed by an Informal Luncheon in the Cliff House Roof Garden at 12:00 o'clock noon.

In the Co-op at 11:00 a.m. on Friday, under the chairmanship of Howard Brubeck the seniors will hold a Farewell Party followed by Rehearsal at 3:30 p.m. and Commencement Exercises in the Opera House at 7:30 p.m.

At Fairmont Hotel Terrace, on Saturday evening at 8:30 under the direction of Bud Decker the Seniors will hold their Annual Senior Ball.

*I double dare you
...show me a cigarette
that gives MORE PLEASURE*

Why—

... because Chesterfield ingredients are the best a cigarette can have ... mild ripe home-grown tobaccos ... aromatic Turkish tobaccos ... aged for 2½ years ... pure tasteless cigarette paper ... and

a blend that can't be copied

*... they'll give you MORE PLEASURE
than any cigarette you ever smoked*
